

Buche and Associates Partial Script

Statement #1 (Intro)

Thank you for calling Buche and Associates where we have enjoyed serving the Rocky Mountain States since 1977. We are conveniently located in Commerce City just north of I70 and Quebec. We appreciate your call and your patience while holding. Please visit us online at our website www.bucherep.com **that's b u c h e r e p dot com.**

Statement #2: (Products)

Did you know we are the new rep for Holdrite? Holdrite is part of the RWC family along with Cash Acme and Sharkbite Plumbing Solutions. Holdrite has many products like pipe support, hanging brackets, Testrite- DWV testing and Hyrdoflame- firestop solutions & water heater accessories. For a complete list of products visit their website at holdrite.com.

Statement #3 (Summer Months)

With warmer months right around the corner, now is the time to begin to stock up on the products you'll need as the temperature begins to rise. Products from First Company, LG, Sharkbite, Holdrite, A-Gas and The Unico System will go fast. Ask one of us for price and availability on any of our products when we get back to the line.

Statement #4 (LinkedIn)

Have you had a chance to visit our LinkedIn Page or our website? Our website has a lot to offer with a complete list of manufactures, company info, resources and a blog. Our LinkedIn page is a great way to see some of our projects we have worked on in the past and are working on currently. It is a great way to keep up to date with new products and lines or just to see what the Buche & Associates family is up to. Check out ideas for your next project by going to our LinkedIn page at www.linkedin.com/company/buche-&-assocates-inc . Don't forget to give us a follow to ensure you are up to date.
